

SALUTE TO VETERANS

Ressler Propane joined Mountville in thanking and recognizing our veterans.

A Calliope, a Marching Band, a Trolley, Boy Scouts, Veterans, Firemen and lots and lots and lots of candy.

This is what you would have experienced if you attended the 2013 Mountville Memorial Day Parade. Bucking the popular trend, Mountville sticks to its roots by keeping the Parade on May 30th, the actual day designated as Memorial Day, rather than the typically observed last Monday in May.

Once again, Ressler Propane was active in the Parade, showcasing a Transport, a Bobtail and a Service Truck, which showered onlookers with an assortment of candy. Coupons for discount grill cylinder refills were also handed out.

Continue "Salute to Veterans" on page 3.

BEHIND THE SCENE...DELMAR MARTIN

Delmar Martin not only provides our customers with service for their propane appliances, but he also supplies them with propane. He has the unique distinction of wearing two hats, driver and service technician.

Delmar started his career at **Ressler Propane** four years ago after working in the construction & excavation fields. Initially, he started as a driver, delivering propane to our customers. After showing capability and taking extensive training, he then moved into the Service Department as a technician. Delmar enjoys meeting our customers and working on the many challenging service issues with furnaces, air conditioners and fireplaces. On occasion, he can still be seen in one of our propane delivery trucks.

A native of Lancaster County, Delmar now lives in the Akron area with his wife, Ronica and sons Coen, age four and Camden, age 18 months. Delmar and Ronica have been married for six years and are members of Womelsdorf Mennonite Church. It is hard to imagine he has much free time with two young sons, but in his spare moments, Delmar volunteers as a firefighter with the Akron Fire Company and enjoys fishing and hunting and spending time with family and friends. He even managed to squeeze in a recent kitchen renovation and always looks forward to annual family vacations to the mountains and the beach.

SERVICE AGREEMENT PLANS

Many customers were quite happy when we launched our service agreement plan last year. For those customers who may have missed the introduction, it's not too late to sign up for any of the agreements for gas furnaces, air conditioners, and gas hearth products. Our agreement offers an annual tune-up on the appliance as well as significant discount on emergency repairs, equipment replacement, and service. If you

wish to learn more about purchasing a service agreement, please visit our website, call our office or speak to a service technician during a service call.

SERVICE AGREEMENT PRICING:

- **Furnace or Boiler**
\$144/year or
\$12/month with your flex-pay plan
- **Air Conditioner**
\$165/year or
\$13.75/month with your flex-pay plan
- **Gas Fireplace**
\$96/year or
\$8.00/month with your flex-pay plan
(save 30% when added to a furnace or boiler agreement)

BARB RESSLER'S FAVORITE RECIPE CORNER

SEVEN LAYER SALAD

- | | |
|-----------------------------------------|----------------------------|
| 1 head lettuce, torn in bits | 2 c mayonnaise |
| 1 c diced celery | 2 Tbsp sugar |
| 4 hard cooked eggs, sliced | 4 oz grated cheddar cheese |
| 1 - 10 oz pkg frozen peas (do not cook) | |
| 1/2 c diced green pepper | |
| 1 medium onion, diced | |
| 8 slices of bacon, cooked & crumbled | |

Layer first seven ingredients in 9x13 glass dish or any decorative glass dish. Mix sugar & mayonnaise and spread over top as frosting. Top with grated cheese. Cover & refrigerate 8-12 hours.

TIPS FOR SAFE GRILLING

Warmer weather means more outdoor activities, especially grilling. Whether you have a complete outdoor kitchen or a portable grill, please keep in mind the following safety tips:

- Keep the top open when lighting a grill.
- Do not use matches or lighters to check for leaks.
- Remove combustible materials from grilling area. Never pour accelerants on the grill, such as gasoline or lighter fluid.
- When finished grilling, turn off the burner controls and close the cylinder valve.
- Cover disconnected hose-end fillings with protective caps or plastic when the grill is not in use.
- Store propane cylinders outdoors in an upright (vertical) position.

If you need to fill your tank, purchase a spare tank, or have a tank re-qualified, please stop by our facility at 27 West Main Street in Mountville, Monday through Friday, 7:30am to 5:00pm.

We also recommend service fill stations at the following locations:

- **Steve's General Store**..... (717) 533-5222
2985 Elizabethtown Rd, Hershey, PA
Mon-Sat 7am-9pm; Sun 8am-6pm
- **Musser Supply** (717) 684-2243
1605 Lancaster Ave, Columbia, PA
Mon-Fri 7am-5pm; Sat 7am-12pm
- **B & G Lumber Home & Garden**.... (717) 367-1680
212 W High St, Elizabethtown, PA
Mon-Fri 7am-5:30pm; Sat 7:30-4pm

446 Hill Rd, Denver, PA
Summer Hours Mon-Sat 9am-6pm
- **Shady Grove Campground**..... (717) 484-4225
65 Poplar Dr, Denver
Summer Hours Mon-Sat 9am-6pm

SALUTE TO VETERANS *(continue from front page)*

Despite temperature in the 90s earlier in the day, hundreds of people came out to watch the Parade, which started at Mountville Elementary, traveled down Clay Street, then College Avenue and finally down Main Street to end at Froelich Park.

Although Memorial Day has evolved in fashion over the years, the purpose of the observance remains unchanged: honoring the service men and women who lost their lives in the line of duty, or to use Lincoln's immortal words, those who "...gave the last full measure of devotion....".

Let us never take for granted our Freedom, which was purchased at so great a price.

WEIL MCLAIN WM97+BOILER

Many older homes in our area are heated with oil boilers. If you are in this situation it is important to know that there is an excellent propane alternative available: the Weil McLain WM97+ boiler. These boilers are up to 97% efficient, and can work with most hot water heating systems. Advantages are:

- Wall mounted for saving space
- Modulating burner to match the immediate heat requirement
- Sealed combustion – no more air being pulled out of your house
- Burns clean, efficient, affordable propane

Ressler Propane will be glad to visit your house and see if a High-Efficiency boiler is right for you. To learn more, call our office or email Lenny@resslerpropane.com.
